Cultural program

Please think about the time before/after the tournament to visit best local sights. You can choose your tour here and write us what would you like to visit, how many people and we will help you to arrange it. Your volunteer will accompany you on all your tours.

We will have a tour to the ancient city of Ephesus , Virgin Mary's House, Spend some time on the beach and have a boat trip in Kusadasi, on the

way back, visit the old Greek city of Sirince to taste the famous Sirince wines and have a dinner party there.

House of Virgin Mary is located on the top of the "Bulbul" mountain 9 km ahead of Ephesus, the shrine of Virgin Mary enjoys a marvelous atmosphere hidden in the green. It is the place where Mary may have spent her last days. Indeed, she may have come in the area together with Saint John, who spent several years in the area to spread Christianity. Mary preferred this remote place rather than living in crowded place.

Cesme tour

The name Çe me ("Cheshme" derived from the Turkish word for Fountain) has always been a popular summer resort for the residents of nearby Izmir and over recent years the "secrets" of Çe me have been discovered by an ever growing number of European tourists.

The region is a combination of rich agricultural land enclosing unspoiled turquoise bays with beaches of fine white sand and (as its name suggests) natural hot water springs.

Declaration of Acknowledgment

By registering for the tournament the team and its players accept the terms of this invitation.
